Welcome To The Extraordinary.

Oceana has long been a legend in the New York restaurant scene. Renowned for its exceptional elegance, Michelin-Star cuisine, world-class wine cellar and superb service, Oceana is truly one of New York's most extraordinary dining experiences.

It is these same extraordinary qualities that make Oceana the perfect place for any wedding celebration, from engagement parties and bridal showers to rehearsal dinners and gala wedding receptions.

Oceana is also conveniently located in the heart of Midtown Manhattan, just steps from Radio City, Rockefeller Center, the Theater District and major hotels.

WINE ROOM

Named for its floor-to-ceiling display of Oceana's magnificent wine selection, this room presents a dramatic backdrop for events with up to 18 guests. Curtained glass walls admit the natural light and ambiance of the Main Dining Room while ensuring the group's complete privacy. The subtle aquatic decor of the restaurant is carried through in the Aqua Creation lighting fixtures that float overhead like luminescent jellyfish.

CHEF'S TABLE

Set inside the bustling kitchen, this private table for four offers a unique view of Executive Chef Ben Pollinger and his team in action. Guests enjoy an intimate dining experience with a special, behind-the-scenes look at the care and craftsmanship that go into the preparation of our dishes. Special tasting menus can be arranged for your pleasure.

GRAND SALON

This airy space offers the most variety of configurations, with a maximum accommodation of 80 guests seated or 120 guests standing. The Grand Salon can be divided into two separate rooms by a substantial wood paneled wall that slides out of view when not in use.

As separate rooms, Salon North (pictured at top) can accommodate a maximum of 30 seated guests, and Salon South a maximum of 50. Each room includes a door leading to The Park, Oceana's outdoor area, presenting more opportunities to expand your event activities. For instance, groups can enjoy outdoor cocktail receptions in The Park and move inside for a seated dinner.
